

Adstream Print Solutions

QuickPrint Web

The expertise of QuickPrint Desktop translated for you in a high-user platform

Adstream's QuickPrint Web online solution has been developed based on years of perfecting the technology of QuickPrint desktop to offer you an easy online access to a network of more than 39,000 publishers from across 50 countries, from anywhere you need it.

Adstream's QuickPrint Web portal will benefit low volume senders who need to get infrequent jobs through to publishers right first time, and fast.

By using QuickPrint Web you can verify your ad copy against more than 280 quality checks required by publishers. It can automatically fix errors where there is a problem or where the file does not meet publisher specifications.

It is all very simple: sign up online for an account, upload your ad copy, optimise it and pay directly online. You will have full visibility and tracking, every step of the way.

Let QuickPrint Web save you time by connecting you to your publishers, wherever you are.

Recommended For

» *Infrequent and low volume senders*

What Our Clients Say

“ Here we have a double level of security, both on the technical specifications and the quality, and on tracking of the files sent. *Dominique Burnel, Gutenberg Online* ”

Key Features

- » Browser-based solution, completely on-line
- » 280+ PDF validation checks
- » 100+ automatic fixes for common PDF problems
- » Integrated with Adstream's MediaLink job/order management system
